In this second volume of his classic statement on Shia theology, Mirza Muhammad Baig offers a thorough and comprehensive overview of the doctrines of Shia theology and Shia practices, as well as interpretations of mainstream views of issues such as the Unity of God. A concise explanation of the basic points of Shia faith are given here, as well as a comparison with the doctrines of other Islamic schools. A special section of commentary on the events of Karbala forms the starting point of the text. The introduction and conclusion of each chapter provide brief explanations of Shia theology and practices, whilst the middle of the book offers lessons from the Shia history. The book is divided into twenty-seven chapters. Here is Book Name: "Jawahir E Khamsa Urdu" by Ibn Ismail BUKHARI. 1. Jawahir-Ul-Khamsa, 2nd. Free download as PDF File.
