Winner: Bubbledatepusher Runner-up: AlstRiA ? Arena 26 Last week, the qualifiers were on the discord server for the first time. Around there, they made small changes so I had to reupload the rules. Starting in Section D: The nominations are being chosen using a random number generator. The top three Pokemon that made it into this section will have their names put in to find who joins the last three players in Section F. They will then have to battle each other in Section F. The names will be posted over the discord server which you can access here. Section D: Nominations ? Section F: Player Battles The first three Pokemon that qualified into Section D win Section F. The strategy will be to defeat one of their enemy and that opponent can be anyone in Section C. If there is no contest when we get to Section E, the two winners will be eliminated from the tournament. ? Section E: Elimination Bracket Using the Elimination Bracket, we eliminate two players from the tournament. They will be determined by the section they won in. The different sections are as follows. Section B: Last 2 / Top 2 of Section A Section D: Top 3 of Section C Section G: Top 4 of Section F Section H: Top 4 of Section E Section C: The four finalists from Section A / The four players with the highest scores in D / The four players with the highest scores in G / The top four players from H Section E:?
