An action RPG developed by Square Enix and developed by Tokyo RPG Factory, where the mystery and majesty of myths are brought to life in the real world. You can freely customize your characters, weapons, and equipment, explore the vast world, and challenge other players in exciting battles. ?About Sensible World In Sensible World, characters have a variety of expressions and voices that are inseparable from their movements and their actions. Two characters interact well if they get along, this synergy generates sparkle and excitement. ?About the Elden Ring Product Key The Elden Ring, a company of which the name is synonymous with RPGs, was established in 1971 by Mr. Iremoto in Osaka, Japan. With a group of like-minded friends as the key actors, the company produced a series of action role playing games. These games, with their dungeons filled with hidden areas, high-quality graphics, and elaborate storylines, became popular through word of mouth and drew attention from major companies. Since 2011, the company produced a brand new series of action RPGs, called the Elden Ring Series, with a goal of creating an unprecedented action RPG.
